**Nehemiah #4**

**Journey of Faith – January, 2020**

**Prayer +**

Nehemiah 4:1 - 23

**Introduction**

When I pray to the Lord for deliverance or help, what part do I have in it?

**Words of \_\_\_\_\_ (Psychological warfare) Vss.1 - 3**

How do we respond to verbal assaults?

Either we \_\_\_\_\_ or \_\_\_\_\_.

**The Mature Response to Confrontation is to \_\_\_\_\_ Vss.4-5**

Anger directed at those opposing \_\_\_\_\_ is valid anger.

**We are called to prayer + \_\_\_\_\_ Vs. 6**

The mature Christian blends the \_\_\_\_\_ perspective with \_\_\_\_\_ effort.

**We are called to prayer + \_\_\_\_\_ Vs. 9b.**

**Prayer + means we can have \_\_\_\_\_ in the arms of God Vss. 16 - 23**

Three things that we note on what Nehemiah did:

1. The Israelites did their part by being well \_\_\_\_\_.
2. He had a \_\_\_\_\_ by his side to rally the people.
3. \_\_\_\_\_ must be prepared. They must be inspiring.

**Questions for Discussion...**

- True or False: Prayer moves the hand of God. Discuss whether this is true or false and how is it so?
- Describe a situation in the church where you saw everyone work together. Why did this happen? How is it a model for other ministries and services? Can you contrast this with a project where few were involved?
- When you are criticized or confronted, do you either attack or acquiesce? Why?
- Describe when you desire a course of action, how prayer affects what you do? How do you know if you are moving in the direction God desires?
- How has prayer over your difficult situation given you confidence in God? Please describe.
